GOD CREATED US TO DREAM.

The dreams that God wants us to pursue are the ones that are linked to his purpose for our lives and that align with his truth.

At Saddleback, we are ready to turn those dreams into decisions and those visions into reality. When we dream together, not only can we dream bigger, but we can accelerate God's dreams for our lives and our church. Are you ready to make an impact?

Let's **DREAM NOW.**

For over four decades, we've been a church that dreams big and dares to have bold faith in a mighty God. We have always been willing to say "YES" to God's call to make a deeper and broader impact on the world around us. Today we are standing on a strong foundation because of countless sacrifices throughout our history.

Now, God is calling us to dream again for a new generation. God is leading us into a season of dreaming fresh dreams and taking courageous steps of obedience to fulfill his plans and purposes for our future with greater urgency.

We are living in one of the greatest moments in church history — we have the possibility of partnering with God to see another Great Awakening in our day.

God is inviting us to step into the future with renewed faith and fresh obedience for this critical hour!

Dream Now is a multi-year vision initiative designed to help you dream God's dreams, starting with your life, impacting your family, and overflowing to our church, our communities, and our world. It's a call to give sacrificially, above and beyond our regular giving, in order to make the greatest possible impact over the next three years.

Dream Now is an initiative that will empower each of us to live according to God's design and purposes, provide resources to strengthen families, start new campuses, improve existing campuses, reach people behind prison doors, serve our communities, and impact our world.

We've never been afraid to dream big and act boldly. Now is the time to do it again.

With love,

PASTORS ANDY AND STACIE

Many people today feel lonely and lack purpose. Without dreams for our lives, we die on the inside. God has a better way.

He invites you to know and pursue his dream for your life. He has plans and purposes for all aspects of your life, including your physical, emotional, relational, spiritual, financial, and vocational health.

Many years ago, Saddleback revolutionized counseling and career coaching for the local church and began providing these services to our community. Through the Dream Now initiative, we're going to do it again by equipping you with specialized tools and resources to align every part of your life with God's dreams.

Our mission is to raise up Saddleback Life Coaches who will help every person develop a **Life Development Plan**. Imagine

the impact we could make if every person in our church embraced a clear, God-sized dream and vision for their life, transforming not only themselves but the world around them!

One of God's primary strategies from the beginning has been to bless the world through strong families that carry the faith from generation to generation. This requires us to dream now for the future of our families.

The Dream Now initiative will launch an effort called Stronger Homes, which will impact families in two ways:

The **Stronger Homes** Initiative will equip people to build a multi-generational legacy of faith. We'll raise up godly men and women who understand God's unique design for their lives. We will provide them with practical solutions, discipleship tools, and focused small groups, impacting generations to come.

We will transform the San Juan Capistrano campus into a **Family Equipping Center**. With upgraded facilities, enhanced gathering areas, and new recreational spaces, we'll host marriage getaways, family retreats, and other events designed to equip and strengthen homes.

With 25 million residents in Southern California and another 40 million near our international campuses, there is a great need for our church to have an increased level of urgency to reach all those around us who don't know Jesus.

God's dream is that the whole world would know his love. God's plan is to use the church to further his mission. The Dream Now initiative will provide significant resources to strengthen and multiply our church for greater impact in the following areas:

SADDLEBACK LAKE FOREST

- Expand Kids Building
- Upgrade Camp Hope outdoor family gathering space to reach the community

SADDLEBACK IRVINE SOUTH

- Build 700-seat auditorium

LAUNCH THREE NEW CAMPUSES

- Temecula Valley, California
- Davao City, Philippines
- Norco Prison, California

Over the next two years, we are launching a new churchwide emphasis called **Love Local** to unleash greater love and compassion in our communities. Through the Dream Now initiative, we will provide each campus with resources to meet specific local needs, empowering our whole church family to serve and share the Good News of Jesus in meaningful ways.

This initiative will also increase our efforts to care for vulnerable children, refugees, widows, and orphans, while also addressing food scarcity. As part of this vision, we'll host regional Mission Summits and How to Share Your Faith Workshops to equip our church for deeper outreach.

Together with our founding pastor, Rick Warren, we are praying and working to see an established local church for every people group by 2033, the 2,000th birthday of the church. To finish the task, we must partner with strategic churches in global gateway cities. The Dream Now initiative will provide resources to help launch PEACE efforts in 5 global hubs, including:

OUR 3-YEAR GOAL:

\$50

MILLION

Our primary goal is 100% participation from everyone who calls Saddleback their home church. Our goal is for \$50 million to be given over the next three years through one-time gifts and three-year commitments. As part of the Dream Now initiative, we are challenging everyone to give above and beyond their regular giving so that we, as a church, can go above and beyond our regular ministry.

YOUR NEXT STEPS:

1. ASK

Ask God to lead you to his dream for your life.

2. MAKE

Make your above and beyond commitment.

3. GIVE

Give a one-time gift with your commitment.

4. PRAY

Pray for God to move miraculously in your life and our church.

GIVING & COMMITMENTS

We are asking God to do the unexplainable through us. Let's stretch our faith and dream bigger dreams for ourselves and for our church. This is an opportunity for all of us to step into God's miracles, for each of our lives.

In years to come, when we look back, may this moment be a marker of radical transformation, deeper trust, and broader impact through our lives.

Together, we can have an impact on multiple generations by dreaming God's dreams for each generation. It's not about the size of the gift; it's about the size of the sacrifice! It's not about the size of our faith, but the size of our God.
