

# FAMILY VISION GUIDE

**START BUILDING A BOLD, GOD-CENTERED  
VISION FOR YOUR HOME.**

This guide is designed to help your family shape a clear vision for your home, define the values that matter most, build life-giving rhythms, and set meaningful goals that make your home stronger. Together, you'll create a Family Vision, take intentional steps forward, and keep God at the heart of your home. Place it where your family can see it often as a daily reminder of who you are and what you're building together.

## WHAT WE ENVISION FOR OUR HOME

What do you hope your family will look like in five years—spiritually, relationally, and in everyday life?
